1.	In you mail you've addressed for perpetual license of Adobe but Adobe has already discontinued perpetual license and so we just give cloud license. The cloud license is of 1 year and 3 year. So should I quote for, 1 year or 3 year ?	<p>Supplier needs to submit written justification from adobe if they have discontinued perpetual licensing.</p> <p>If Acrobat DC Pro is not available in perpetual licensing, we will consider latest Acrobat Pro (Acrobat Pro 2017/2020 etc.) which is available in perpetual licensing.</p> <p>Please find the purchasing options for your reference: https://www.adobe.com/howtobuy/buying-programs.html</p>
